5. PARTICIPATION RIGHT AND ACCREDITATIONS

Senior and Junior Gymnasts holding a valid FIG licence until the end of the competitions, and with the correct age from FIG affiliated Federations in good standings, may take part in these European Championships. An individual is entitled to only one accreditation card. If an individual has several valid "accreditable" functions, the highest function is normally selected and the access zones of the functions are cumulated. No substitutes may directly benefit from unused accreditations. The functions of judge and gymnast cannot be combined with any other function, except for gymnast who can also act as Head of Delegation.

Maximum Delegation Size

All federations are entitled to participate with either a team composed of 3 to 5 gymnasts, or a maximum of 2 individual gymnasts.

The maximum size of each delegation, as per European Gymnastics Accreditation Rules, is as follows:

Function	Junior	Senior	Combined
Gymnasts	5	5	10
Head of delegation	1	1	1
Team leader	1	1	2
Coaches	2	2	4

Doctors	1	1	1
Physiotherapist	1	1	2
Judges*	1	1	2

*Note: see also Point “9. Judging “below for additional information

Additional accreditations are at the charge of the delegations. The costs of these accreditations are as follows:

Additional Coach	EUR 180
Additional Paramedical Staff	EUR 180

The cost for additional accreditations must be paid directly to the LOC.

Accreditation Application Process

Each NF will be invited to log in the SmartScoring Digital Platform where a section will be available to enter accreditation details of each delegation member. All the details on how to access the portal and description of the application process will be provided to each NF by the LOC prior to the application process.

This will involve entering personal information (name, date of birth etc.), assigning the correct function (e.g. Athlete, Coach, Doctor) and uploading a photograph which meets the requirements below:

The photograph must follow the same requirements as for a passport:

- It must be in **colour**, should be a recent and an accurate likeness of the applicant and must not have been altered in any way
- It should be a **front view of the applicant’s face, head and shoulders (facing forward and looking straight at the camera)**; hats, hair bands or dark glasses must not be worn.
- It should show the full head, without any head covering, unless worn for religious beliefs or medical reasons
- With a neutral expression and with the mouth closed
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes)
- No objects, other people or shadows in the photo
- The **background must be plain and light colour, preferably white** but light blue and light grey will be accepted (NO black, dark blue, red etc.)
- Be clear and in sharp focus
- Be taken within the last 6 months

Details should be entered for all participants of the 2020 European Championships by **no later than November 9, 2020**. This includes applications for accreditation of additional coaches, paramedical staff for whom the NF will assume the participation costs, as described above.

Accreditation applications without a photo will not be accepted and Accreditation cards will not be pre- printed.

All data submitted by NFs via the SmartScoring Digital Platform are subject to European Gymnastics’s approval.

The European Gymnastics Accreditation Rules will be strictly applied, notably as far as the number of accreditations per Federation is concerned. No further accreditations may be issued.

Accreditation Cards will not be delivered unless all financial and insurance obligations have been successfully completed.

Each NF **must also** register the full delegation on the **European Gymnastics GymData Online registration system** by the stated entry deadlines for Nominative entry (see point 7 below).

20. INSURANCE

The Host Federation, the Organizing Committee, European Gymnastics and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like.

The FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and for repatriation for all the members of their Delegation.

Federations are obliged to cover the expense of medical insurance for accredited members of their delegations (illness, accident and repatriation).

We would like to inform you that the European Gymnastics has concluded a contract with IMSSA International Medical & Security Sports Assistance. The detailed terms and conditions of this insurance policy can be found on our intranet website (www.europeangymnastics.com) under "Contractual Documents".

People insured: all participating **gymnasts** and the people acting as **judges** during these Championships.

Attention: the coaches, heads of delegation, etc, are **NOT** insured, please present a proof of insurance at the accreditation.

The IMSSA insurance does cover Covid-19 as illness. However, an eventual quarantine period in Turkey is NOT covered!

Important! All delegation members must have a medical insurance that also covers Covid-19 (this should be specified in the document) to take part in the event.

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing). Delegation members with insufficient insurance cover must inform the LOC in advance.

The LOC will subsequently offer insurance at the Federations own charge as follows: 20.- EUR per person/day.

21. WORK PLAN

The Work Plan will be sent to all participating Federations at least six weeks prior to the start of the competitions.

22. DOPING CONTROLS

Under the supervision of European Gymnastics, anti-doping control will be organized according to the valid WADA Code, International Standards and FIG Anti-Doping Rules. The anti-doping controls may take place at any time.

23. OFFICIAL HOSPITAL

The Official Hospital will be:

Name: Mersin University, Medical Faculty Hospital

Address : Mesudiye, MEÜ ÇİFTLİKKÖY KAMPUSU, 33110 Camili Köyü/Yenişehir/Mersin

Tel: +90 324 241 00 00

The name of the Medical Doctor will be communicated in the Work Plan.

The official hospital for persons infected by the Covid-19 is specified in the anti-epidemiological safety protocol of this event.

24. ENTRY TICKETS

According to the decision of the European Gymnastics, the event will be held without spectators.

25. COVID-19

European Gymnastics will publish the Covid-19 Guidelines together with the Work Plan.

Should at a later stage the event will have to be cancelled the LOC will try its' best to handle the force majeure situation with the reimbursement of costs for accommodation and meals bookings. However, the financial responsibility for all bookings (travel, accommodation, meals) remains with the NF.

In order to maintain the safety for everyone participating in the event it is the responsibility of the NF that all of their delegation members commit to fully respect the Covid19 guidelines for European Gymnastics events. We are convinced the Covid19 risks can be brought to a minimum with that. The LOC will prepare the necessary arrangements of eventual quarantine / positive Covid19 cases. Nonetheless, the responsibility for eventual quarantine and/or positive Covid19 cases concerning their delegation remains with the NF. This includes the covering of all costs.

A Covid-19 PCR test at the event costs 50.- € per/person and the payment method will be cash. Please note that the increased price is due to the fact that the LOC has in the meantime organized an exclusive testing center inside our competition venue to make it more convenient for all participants but most of all to exclude the risk of getting infected while going to an external testing center.
