5. PARTICIPATION RIGHT AND ACCREDITATIONS

Senior Gymnasts holding a valid FIG licence until the end of the competitions, and with the correct age from European Gymnastics and FIG affiliated Federations in good standings, may take part in these European Championships. An individual is entitled to only one accreditation card. If an individual has several valid "accreditable" functions, the highest function is normally selected, and the access zones of the functions are cumulated. No substitutes may directly benefit from unused accreditations. The functions of a judge and gymnast cannot be combined with any other function, except for a gymnast who can also act as Head of Delegation.

Maximum Delegation Size

Maximum size of each delegation, as per European Gymnastics Accreditation Rules.

Function	MAG	WAG	Mixed
Gymnasts	6	5	11
Head of Delegation	1	1	1
Team Manager	1	1	2
Coaches	3	3	6
Doctors	1	1	1
Physiotherapist	1	1	2
Judges (for delegations with 1-2 gymnasts)	1	1	2
Judges (for delegations with 3-6 MAG & 3-5 WAG gymnasts)	2	2	4

Additional Coach	EURO 180
Additional Physiotherapists	EURO 180
Guests	EURO 180
VIP Guests and Federation Presidents	EURO 250

The cost for additional accreditations must be paid directly to the LOC. An additional invoice will be sent to the concerned NF, including the bank details of the LOC.

Accreditation Application Process

Each NF will be invited to log into the Smart Scoring Digital Platform where a section will be available to enter accreditation details of each delegation member. All the details on how to access the portal and description of the application process will be provided to each NF by the LOC prior to the application process.

This will involve entering personal information (name, date of birth etc.), assigning the correct function (e.g. Athlete, Coach, Doctor) and uploading a photograph which meets the requirements below.
Requirements of the photograph uploaded to the online accreditation system:

The photograph must follow the same requirements as for a passport:

- It must be in **colour**, should be a recent and an accurate likeness of the applicant and must not have been altered in any way
- It should be a **front view of the applicant's face, head and shoulders (facing forward and looking straight at the camera)**; hats, hair bands or dark glasses must not be worn.
- It should show the full head, without any head covering, unless worn for religious beliefs or medical reasons
- With a neutral expression and with the mouth closed
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes)
- No objects, other people or shadows in the photo
- The **background must be plain and light colour, preferably white** but light blue and light grey will be accepted (NO black, dark blue, red etc.)
- Be clear and in sharp focus
- Be taken within the last 6 months

Photograph technical requirements
The photograph must adhere to the following requirements:

- JPG format ONLY
- Be vertical orientation
- Have adequate space between face/shoulders and the edges of the photograph
- Should have a minimum size of 100KB and maximum of 2MB
- The face should be at least 300 pixels wide

Details should be entered for all participants **until no later than 14 March 2023.** This includes applications for accreditation of additional coaches, paramedical staff and guests for whom the NF will assume the participation costs, as described above.

Accreditation applications without a photo will not be accepted and accreditation cards will not be pre-printed.

Please consider: If photos will have to be taken at the accreditation desk (because they were not sent within the deadline/in the correct format) **EUR 50** will be charged for each photo.

All data submitted by NFs via the Smart Scoring platform are subject to the approval of European Gymnastics. The European Gymnastics Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued. Any additional person is considered a spectator and must get an entry ticket.

Accreditation cards will not be delivered unless all financial and insurance obligations have been successfully completed.

In addition, each NF **must also** register on the **European Gymnastics GymData Online registration system** by the stated entry deadlines for Definitive & Nominative entry (see Point 7).

9. JUDGING

Each participating National Federation has the obligation to nominate judges in accordance with the number of gymnasts (see section 5).

If a federation does not enter a judge or comes with an insufficient number of judges, European Gymnastics, in line with the Technical Regulations, will request payment in the sum of EUR 2'000.- per missing judge.

All judges must have a current valid FIG brevet and category, for their function **according to FIG Judges rules at the time of the event.**

Whilst the presence of E-judges at the Official Podium Training is not mandatory, the MTC & WTC would strongly encourage all E-Judges to be present at Podium Training.

10. DRAWING OF LOTS

The gymnasts' drawing of lots will take place after the deadline of the Nominative Registration, **on the 21 March 2023 at the Head Office of European Gymnastics.**

The number of subdivisions depends on the number of participating gymnasts. The composition of subdivisions is decided by the drawing of lots among the teams and individual gymnasts.

The draw will start with the 6 (MAG) or 4 (WAG) highest ranked teams from the qualification competition at the European Championship from the previous year (or in exceptional circumstances from another competition to be decided by the EC following proposals from the MAG and WAG Technical Committees) drawn in the final subdivision and placed horizontally across the apparatus working in Olympic order.
The draw will continue with the remaining teams and individual gymnasts to complete the final Subdivision and then work its way back to Subdivision 1. As federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw will continue until all federations have been drawn.

11. COMPETITION FORMAT

According to FIG TR 2023 the 2023 European Championships Qualification is a qualifying event for Teams and All-Around gymnasts for the 2023 World Championships. For details, see the FIG TR 2023 "Qualifications Pathway to the World Championships".

Qualifying Competition incl. Team Final, plus qualification for All-Around Final and Apparatus Finals.

For MAG and WAG a Senior Team consists of 3 - 5 gymnasts, of which up to 4 compete on each apparatus. The 3 best scores on each apparatus are added together to make the total score for the Team on that apparatus

MAG Federations who compete with a Senior Team may bring a 6th gymnast to participate as an individual apparatus specialist. This gymnast may compete on a maximum of 3 apparatus. The apparatus on which the 6th gymnast competes must be declared by the Federation in the nominative entry and cannot subsequently be changed.

The competition consists of 6 apparatus for the men and 4 for the women. As a general rule, the events will be performed in the Olympic order.

The best Team from the Qualifying Competition is awarded the title "European Artistic Gymnastics Team Champion Men / Women".

MAG & WAG – All Around Final
The 24 gymnasts with the highest ranking obtained in the Qualifying Competition are qualified for the All-Around Final. A maximum of two gymnasts per federation are allowed in the finals. The starting order of the gymnasts will be communicated in the Work Plan.

The winner of the All-Around Final is awarded with the title "European Artistic Gymnastic Champion Men/Women".

MAG & WAG – Apparatus Finals
The 8 highest ranked gymnasts on each apparatus in the Qualifying Competition will qualify for the respective Apparatus Final. A maximum of two gymnasts per federation per apparatus is allowed in the finals. The starting order of the gymnasts will be communicated in the Work Plan.

The winner on each apparatus is awarded with the title "European Champion on ... (the corresponding apparatus) Men/Women".

Reserve gymnasts for all Finals of these European Championships will be in accordance with the FIG Technical Regulations.

The provisional training, warm-up and competition schedules will be included in the Work Plan.

12. EQUIPMENT

The Manufacturer Supplier will be GYMNOVA. Please refer to Appendix A for the complete List of Apparatus which will be used.

13. PUBLICITY

FIG advertising and publicity rules must be respected.

As the Code of Points outlines deductions should the FIG rules for Advertising and Publicity on attire and equipment not be respected, each Federation may fill in the online FIG Publicity form (FIG Rules for Advertising and Publicity Appendix E and F) if deemed necessary and send it to European Gymnastics by March 14, 2023, at the very latest in order to have it approved.

The European Gymnastics and FIG Technical Regulations foresee that all participating Federations are responsible for making their own arrangements to have the necessary valid insurance coverage against illness, accidents and for repatriation for all the members of their Delegation.

The FIG insurance IMSSA (International Medical & Security Sports Assistance) for gymnasts and judges with a valid FIG License / Brevet is valid for these European Championships.
Basic insurance (sickness, accident and repatriation) in your country of residence is compulsory in order to be able to benefit from coverage by FIG IMSSA subsidiary insurance. Please also refer to https://www.gymnastics.sport/site/pages/medical-insurance.php for additional information regarding the FIG IMSSA insurance for Athletes and Judges.
All other delegation members are NOT included in this insurance and must present a proof of insurance at the accreditation.

The LOC will verify the insurance upon arrival of the delegation members (e.g. cover note or photocopy of the valid policy in English writing).

The responsibility for eventual quarantine and/or positive Covid19 cases remains with the National Federation concerned. This includes the covering of all costs.

Delegation members with insufficient insurance coverage will subsequently be offered with insurance at the Federations own charge as follows: 40 Euro per person/day.
